Children in your community do not need to go hungry this summer. During the school year, nutritious meals are available through the National School Lunch Program (NSLP) and School Breakfast Program (SBP). These programs end when school ends for the summer. The U.S. Department of Agriculture's (USDA) Summer Food Service Program (SFSP) helps fill the hunger gap.

(c) The CN label statement must be printed as an integral part of the product label along with the product name, ingredient listing, the inspection shield or mark for the appropriate inspection program, the establishment number where appropriate, and the manufacturer's or distributor's name and address.

(1) The inspection marking for CN labeled non-meat, non-poultry, and non-seafood products with the exception of juice drinks and juice drink products is established as follows:

6. Products that bear a CN label statement as set forth in paragraph 3(c) carry a warranty. Meal Site Eligibility

ELIGIBILITY DURATION

- Duration of determination for Open meal site eligibility based on school data or census data is **five years**
 - CSDE encourages sponsors to assess and reset the five year duration of determination each year, if possible, to prevent potential loss of site eligibility
- Duration of determination for meal site eligibility based on other sources (i.e., income eligibility applications, migrant organizations) must be **updated annually**

Meal Site Types

■ Most common

- open site
- restricted open site
- closed enrolled site
- camp (residential or nonresidential)

■ Less common in Connecticut

- migrant site
- tribal site
- National Youth Sports Program site

Meal Site Types: OPEN SITE

OPEN SITE

Located in a needy area where 50 percent or more of children residing in the area are eligible for free or reduced-price school meals and meals are made available to all children in the area on a first-come, first-served basis

Meal Site Types: OPEN SITE

- Sponsors must take necessary steps to allow meal service access to all children requesting a meal at the site
- Information regarding meal service must be publicized in the community served
- Area eligibility is established using
 - school or census data
 - documentation from other approved sources (see slides 12, 15)

Meal Site Types: RESTRICTED OPEN SITE

RESTRICTED OPEN SITE

On occasion, a sponsor that would normally operate an open site (initially open to broad community participation) must restrict or limit the feeding site's attendance for reasons of space, security, safety or control

Meal Site Types: RESTRICTED OPEN SITE

- Sponsors must publicize that the site is open on a first-come, first-served basis to all children in the community, but meal service will be limited (based on space, security, safety or control)
- Area eligibility is established using
 - school or census data
 - documentation from other approved sources (see slides 12, 15)

- a program provides recreational, cultural, religious, or other types of organized activities for a specific group of children

Meal Site Types: **CAMP**

- Residential or nonresidential day camps that offer regularly scheduled food service as part of an organized program for enrolled children
- In residential camps, participants spend the duration of the organized program in a 24-hour supervised care setting and receive regularly scheduled food service as part of the program

Meal Site Types: CAMP

- Nonresidential camp sites must offer a continuous schedule of organized cultural or recreational programs for enrolled children between meal services
- Not required to establish area eligibility but must collect and maintain individual income eligibility forms or individual eligibility status as determined by their school

Meal Site Types: **CAMP**

- Must be licensed by Connecticut Office of Early Childhood

<https://www.ct.gov/oec/site/default.asp>

BEST PRACTICE

- Incorporate **whole grain-rich grains** into summer meals for consistency with meals served throughout the school year

SFSP Offer versus Serve (OVS)

- OVS option is available **SFA** sponsors
- Sponsor must use online application to notify CSDE of their intent to implement OVS
- CSDE and USDA resources available to assist in menu planning and implementation of OVS

<https://portal.ct.gov/-/media/SDE/Nutrition/SFSP/MealPattern/OVSSFSP.pdf>

SFSP OVS

■ Breakfast

- Children must take **THREE** of four offered food items

■ Lunch/Supper

- SFSP meal pattern is the same for lunch and supper, including OVS requirements
- Must offer **FIVE** food items from the four food components
- For a reimbursable meal, children must take **THREE** of the four food components

Additional Foods: SFSP

- May offer extra foods in addition to the items required for a reimbursable meal
 - Foods that are **CREDITABLE** as part of a reimbursable meal are an allowed expenditure of SFSP funds
 - Foods that are **NOT CREDITABLE** must have documentation available to reflect the income source (non-CNP funds) that is supporting their expense

Meal Pattern Reminders: SSO

- SFAs must follow the NSLP and SBP meal pattern requirements in effect the **school year prior** to the beginning of SSO
 - For example, a school operating SSO in summer 2019 would follow the meal pattern requirements effective July 1, 2018
 - The requirements effective on July 1, 2019 would not apply to SSO until summer 2020

Meal Pattern Reminders: SSO

OPEN AND RESTRICTED OPEN SITES

- SFAs should make every effort to follow the **age/grade group** requirements
- SFAs that have difficulty implementing the age/grade group requirement may work with CSDE to make accommodations that may include the use of a single age/grade group meeting the minimum meal pattern requirements for the most common age/grade group attending the site

Meal Pattern Reminders: SSO

OPEN AND RESTRICTED OPEN SITES

- Includes both school and non-school sites
- All accommodations must possess a reasonable justification for the need to deviate from age/grade group requirement
- The justification will be added as addendum to the agreement between the SFA and CSDE

Meal Pattern Reminders: SSO

OPEN AND RESTRICTED OPEN SITES

- These accommodations apply only to open and restricted open sites where meals are served to all children in the community on a first-come first-served basis

Meal Pattern Reminders: SSO

CLOSED ENROLLED OR CAMP SITES

- Must serve multiple age/grade groups and cannot offer meals under a single age/grade group

Meal Pattern Reminders: SSO

CLOSED ENROLLED OR CAMP SITES

■ Some flexibility

- Sites can meet breakfast requirements for grades K-12 by offering the same food quantities that fit all grade groups
- At lunch, can combine meal requirements for grades K-8 into a single menu
- Grades K-8 and 9-12 may use the same basic menu by adding slightly more grains and meat/meat alternates for older children

Off-site Consumption: SFSP & SSO

- Children may take a fruit, vegetable or grain item off site for later consumption
- Sponsors must use online application to notify CSDE of their intent to implement this practice
- Can be done only if
 - complies with state and local health and sanitation code
 - sponsor has sufficient supervisory capacity
 - item is from the child's own meal or a share table

Notification of Site Changes

Sponsors must **notify CSDE** regarding any site changes and receive CSDE approval **prior** to changes being implemented

- Location
- Meal times
- Menu changes
- Opening dates
- Closing dates
- Enrollment figures
- Holidays and other days that will require closing

Notification of Site Changes

FIELD TRIPS: SFSP

- Field Trips are entered and approved in the online application system; they must be approved prior to the day of the Field Trip
- Please provide regular training to your site staff to ensure that they notify you in a timely manner about field trips

Outreach Requirements

- All SFSP sponsors must advertise the availability of Summer Meals in their community
- SFAs participating in NSLP must conduct Summer Meals outreach

Outreach Opportunities

- Traditional and social media releases
- Webpage
- Town/organization/school newsletters
- Fliers/mailings
- Community posting boards
- Automated telephone calls
- SFAs: June NSLP menu
- SFAs: Summer-themed NSLP lunch prior to end of school year
